## Terms & Conditions

### Pricing Disclaimer

All prices listed are estimates only and are provided as a **general guide**. Final pricing will be confirmed after a site inspection and written quote.

### Site Inspection Required

A full site inspection is required before confirming final pricing. Prices may vary depending on access, soil conditions, slope, job complexity, and material selection.

### Minimum Job Charge

A minimum job value applies to all bookings. Smaller areas may incur a higher per m<sup>2</sup> rate to meet minimum cost thresholds.

### Inclusions & Exclusions

Pricing may not include items such as concrete pumping, tipping fees, formwork, reinforcing mesh, sealing, or saw cuts unless specifically listed in the quote.

### GST & Payment

All prices exclude GST unless otherwise stated. Payment terms are typically 30% deposit upon acceptance, with balance due upon completion unless otherwise agreed.

### Availability & Scheduling

Work is subject to weather, material availability, and crew scheduling. Dalmatian Concreters reserves the right to reschedule works if conditions are unsuitable.

### Material Variations

Decorative finishes (e.g. exposed aggregate, coloured concrete) may vary slightly in colour, texture, and finish due to natural materials and batching processes.

### Sealing & Maintenance

Sealing, if not included, is recommended to protect and extend the life of your concrete. Dalmatian Concreters is not liable for any issues if sealing is declined.

### Client Responsibilities

The client is responsible for ensuring clear site access, removing obstacles, and obtaining any necessary council approvals or permits.

### Changes & Variations

Any changes to the scope of works after commencement will be subject to a variation agreement and may incur additional charges.

### Cancellation Policy

Cancellations made within 48 hours of scheduled start may incur a cancellation fee to cover labour and scheduling costs.

### Validity

All quotes are valid for 14 days unless otherwise stated. Dalmatian Concreters reserves the right to revise prices due to changes in material or labour costs.
